

Prashant Swaroop

Industrial Designer.

"I believe that to learn is to truly exist. As a maker and a dreamer, I am dedicated to creating things that enrich human life."

EDUCATION

2019-2023 National Institute of Design Andhra Pradesh, India	June '23 - Sept '23 Offsite, Cohort 2 Remote, Chicago
Higher Secondary '19 Jaipuria, ISC (Science) Lucknow	Secondary School '17 Ryan International School, Mumbai

EXPERIENCE

July '23 - Ongoing	UNO MODO Design Studio Industry Mentorship São Paulo, Brazil - Remote From market study to first prototype, took a mundane kitchen timer from the market and enhanced its perceptive and sensorial value all the while keeping the manufacturing integrity intact. Took a deep dive at global design history and later studied and practiced methodology taught by Rowena Reed on form making and form development.
May '23 - May '24	LVPEI Center for Technology Innovation Industrial Design Fellow Hyderabad Work on Project One: an all in one inclusive ecosystem of products which can cater to areas of low resource and income. Played a crucial role in building the foundational steps for the project from problem identification to market needs. Output: First of its kind subjective refraction unit that is advanced, portable and affordable.
Feb '23 - Mar '23	Vivek Amberkar Product Design Industrial Design Intern Mumbai Worked on bamboo based consumer electronics and conducted an short study on bamboo clusters in the outskirts of Mumbai. Conducted market research for bamboo products and their placement in the market.
Dec '22 - Jan '23	Samsung R&D Institute India Prism Program Bangalore Collaborative service design research on 5g network for data sharing experience via hotspot through mobile phone.

SOFTWARE

Fusion 360
Rhino 7
Grasshopper
Keyshot 12
Blender
Photoshop
Illustrator
Figma
After Effects

INTEREST

Visual Coding
Systems design
Psychology
Generative art
Concept art
Hard Surfacing
Form making
Form building
Films

SKILLS

Prototyping	Computational Design
3D Printing	Storytelling
Laser Cutting	User Testing
CAD modeling	Therforming
UX Research	Strategic Design
Sketching	Wood Working
Data Analysis	
Photography	
Design Thinking
